## OUR STORY

Inspired by a mother's love and a child's willful journey towards  
independence, The Two Foundation was created with one simple belief:

***Everyone deserves  
meaningful work  
and the opportunity  
to thrive.***

Today, that vision lives  
through the Café, Shops,  
and Services that make up  
Two & Company.

## A PIECE OF CLEVELAND

Look around and you'll discover  
pieces of Cleveland's history:

- Café tables and chairs from the Higbee's Silver Grille
- "Pops of history" from Higbee's Department Store and the Terminal Tower
- Custom hand-blown glass chandeliers, and more! All curated by Cleveland Art, featuring bronze reclaimed from the Terminal Tower renovation in the late 1980's

## WHY PINECONES?

Pinecones show us how we can all be different,  
beautiful, and perfect in our uniqueness.

## THANK YOU

Two & Company is a non-tipping organization. Instead of tips,  
guests may choose to leave a contribution that supports our  
nonprofit mission and benefits our entire staff.

*Thank you for being part of our mission.*
